Dear Guillermo:

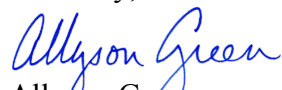

I am pleased to inform you that you have been awarded a Tisch School of the Arts Dean's Fellowship for full-time attendance in the Tisch School of the Arts Interactive Telecommunications Program during the 2018-2019 academic year. Congratulations!

The amount of the fellowship is *half tuition*, exclusive of any fees or health insurance charges. This award is based on the School's determination of merit and need and is to be applied towards the cost of tuition for the 2018-2019 academic year. The award is contingent upon maintenance of academic achievement and progress as defined by your department and provided that it is not superseded by another grant, fellowship or award. You must also remain in good social and academic standing throughout each term of enrollment.

We hope you will give serious thought to the offer of admission and this offer of aid from your department. If you have any questions about the award or financial aid, in general, please do not hesitate to contact John Brown, the assistant director of graduate admissions and financial aid for the Tisch School of the Arts. John can be reached at john.brown@nyu.edu.

Before you decide to accept this offer please read the following "Terms and Conditions" carefully before continuing.

Sincerely,

A handwritten signature in blue ink that reads "Allyson Green".
